DECLARATION OF DONALD E. SCHREIBER

I, DONALD E. SCHREIBER declare that:

1. I am 66 years old and reside at 962 Red Feather Court, Incline Village, Nevada 89451.

2. I am an attorney admitted to practice in the State of California, and before the United States Patent and Trademark Office ("USPTO"), Reg. No. 29,435.

3. I represent the Applicant, Chung Nan Chang, in the filing and prosecution of the patent application identified above.

4. Attached hereto as Exhibit A is a true and correct copy of a Declaration which accompanied the application for patent identified above when the patent application was filed with the USPTO on September 5, 2000.

5. I have maintained a copy of Exhibit A in my files continuously since this patent application was filed with the USPTO on September 5, 2000.

6. As appears on the second page of Exhibit A, the Declaration included in this patent application when it was filed with the

USPTO on September 5, 2000, sets forth the Applicant's citizenship and residence including street address, city, state and ZIP code immediately beneath the Applicant's signature.

7. I am unaware of any facts contrary to the facts and opinions contained in this Declaration.

8. I declare under penalty of perjury under the laws of the United States of America that all statements made herein of my own knowledge are true and correct, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of any patent issuing on the subject application.

Dated: 17 March, 2005

**DECLARATION, POWER OF ATTORNEY, AND PETITION
FOR PATENT APPLICATION**

As an inventor identified below, I hereby declare that:

My residence, citizenship, and residence address are as stated below beneath my name;

I believe I am the original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled

**SECURE CRYPTOGRAPHIC KEY EXCHANGE
AND VERIFIABLE DIGITAL SIGNATURE**

described and claimed in the accompanying specification.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

In accordance with Title 37, Code of Federal Regulations, § 1.56(a), I acknowledge my duty to disclose all information known to me which is material to the examination of this application.

I do not know and do not believe that the invention described and claimed in this application was:

Known or used in the United States of America before my invention thereof, or patented or described in a printed publication in any country before my invention thereof; or

Patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the filing date of the present patent application in the United States of America; or

First patented or caused to be patented, or was the subject of an inventor's certificate by me or my legal representative(s) or assign(s) in a foreign country prior to the date of the filing date of the application for patent in this country on an application for patent or inventor's certificate filed more than twelve months before the filing date of the application in the United States of America; or

Described in a patent granted on an application for patent by another filed in the United States of America before the invention thereof by me, or on an international application by another who has fulfilled the requirements of

the first, second, and fourth paragraphs of Title 35, United States Code, § 371(c) before my invention thereof.

The undersigned hereby appoints Donald E. Schreiber, Post Office Box 64150, Sunnyvale, California 94088-4150, Registration No. 29,435, his attorney to prosecute this application for letters patent, with full power of substitution and revocation, to transact all business in the Patent and Trademark Office in connection therewith, and to receive any patent issuing thereon.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, § 1001, and that such willful false statements may jeopardize the validity of the present application or any patent issued thereon.

Wherefore, I pray that Letters Patent be granted to me for the invention described and claimed in the accompanying specification and claims, and I hereby subscribe my name to the accompanying specification and claims, and the foregoing declaration, power of attorney, and petition.
